HARBOR
HOSPICE

Camp Courage is a weekend overnight camp for children ages 6 – 12, and teens ages 15 – 19 as Junior Counselors, who have experienced the death of a loved one. Each summer children gather to have all the typical fun of camp such as crafts, archery, swimming and boating, combined with the guidance of professional counselors and trained volunteers to address their losses. The goal of Camp Courage is to provide a safe environment for children share their thoughts and feelings, and recognize that they are not alone in their grief.

Camp Courage 2018 will be held June 22 – 24 at Pioneer Trails Campground on Big Blue Lake, and we are looking for individuals who would like the opportunity to volunteer at camp as assistant counselors and in other roles. Training is provided, and previous experience working with bereaved children is not required. If you would like to be considered for a volunteer position, please complete the enclosed Volunteer Information Form and return it to Harbor Hospice as soon as possible.

The Harbor Hospice Board and management team have supported the life-changing experience of Camp Courage for 24 years. We believe that providing grief support in the early stages of development can have positive lifetime effects. We hope that you will consider joining us in supporting grieving children and their families in our community.

If you have any questions about camp or the enclosed form, please do not hesitate to contact us at 231-728-3442 or 800-497-9559.

Sincerely,

Melanie Dekkers, LLMSW
Camp Courage Director
