

## **Corporate Partner Program**

The Harbor Hospice vision for more than thirty-five years has been to bring *empathy, expertise and excellence to end-of-life care*. Each year, we serve more than 1,000 terminally ill patients and their families in Muskegon, Ottawa, Oceana, Mason and Newaygo Counties. We provide compassionate care for patients *wherever* they call home including in their own residence, in nursing homes and assisted living facilities, and at The Leila & Cyrus Poppen Hospice Residence. And we *never* turn away someone regardless of their ability to pay.

We are excited to invite you to join a network of businesses and organizations that provide financial support for the work we do through the new Harbor Hospice Foundation Corporate Partner Program. Your annual pledge of support will give you 12 months of recognition and promotion throughout West Michigan through multiple communication venues.

Your commitment is the beginning of a special partnership between your company and the Harbor Hospice Foundation. Here is how your philanthropic support of hospice patients and families benefits *your company*.

### **Brand Visibility**

— Display of your company's logo can include signage, print placement, social media, press releases and email campaigns -- for 12 months.

### **Recognition**

— We will acknowledge your company's support in public presentations, board meetings, interviews with the media, and placements in our Harbor Hospice newsletter and annual report – for 12 months.

### **Documentation of Your Visibility**

— You will receive an end-of-year report detailing how your company was promoted and acknowledged. It will include:

- *Circles of Care* Harbor Hospice newsletter: dates of publications and circulation numbers
- Email blasts: dates sent and number of recipient
- Facebook posts: dates posted and number of views

We encourage one-time gifts, annual pledges and annual installments – whatever works best for you – and we will be happy to send you pledge reminders.

Feel free to call me at 231.728.6836 or 1.800.497.9559 if you have any questions.

Thank you for your consideration and support of the Harbor Hospice Foundation.

Sincerely,
