## **Inaugural tasting and auction event in Muskegon to raise funds for Harbor Hospice**

**Local brewery to release limited beer ‘Harbor Cheers’ a highlight at tasting and auction hospice fundraiser.**

*[Muskegon, Michigan], [September 17, 2019]* – On **Saturday, September 28** the Harbor Hospice Foundation is extending summer 2019 with a celebration, **Buoys, Boats and Brews**. This unique hospice fundraiser is a wonderful addition on our beautiful Muskegon Lake with all proceeds benefiting the life-changing and grief healing programs and services of The Bob & Merle Scolnik Healing Center of Harbor Hospice.

At Harbor Hospice, we know that the passing of partners, friends and family members is often the beginning of heartache and anguish for those who loved them. We believe strongly in the healing power of grief support and want it available to *everyone* who needs it, so we do not charge for this specialized care. For *Camp Courage*, our three-day summer camp for children struggling with the death of someone close, we ask only a \$10 registration fee, which we waive for any family who cannot afford it.

Buoys, Boats and Brews on Saturday, September 28 will be held at the local Muskegon Yacht Club from 4:00pm to 8:00pm. The club is open, 21 and older community invited to join us for live entertainment by Vertigo, auctions, raffles, delectable tastes, and AMAZING beer, wine, cider and lifestyle samples from local and national breweries and wineries. Pigeon Hill Brewing Company will be releasing a limited edition new beer titled **‘HARBOR CHEERS’** with the flavors of Oatmeal Cream Pie, Apple and Pecan!

Buy your \$25 EARLY BIRD TICKETS online available at [HarborHospiceMI.org/ways-to-give/buoysboatsbrews](http://HarborHospiceMI.org/ways-to-give/buoysboatsbrews). \$15 Designated driver tickets also available. For event information please call Richard Vanderputte-McPherson, Communications Specialist, 231.728.3442 or visit [HarborHospiceMI.org](http://HarborHospiceMI.org) for details.
