

COVID Loss Support Group

***COVID Loss Support Group meeting on Zoom every Tuesday beginning March 23 from 6:00 PM to 7:00 PM.**

The coronavirus pandemic has taken over our lives in ways we never imagined, and as a result, we are grieving many losses in our community and in our own lives. We need to be intentional about acknowledging and validating the layers of grief we experience, especially if we are involved in caring for family members, patients or residents during COVID-19.

If your loved one has died due to COVID-19, we offer a safe, judgment-free place to share stories, find encouragement and support, and learn how to cope with this tragic loss.

Please call us 231.728.3442 or 1.800.497.9559 for more information or to register.

Event is FREE to attend for ages 17+. Registration is required. Group will meet every Tuesday evening (except major holidays).

*Effective March 16, 2020 all grief support groups and individual sessions will be done via video conference and phone. Please see our statement on proactive measures being taken due to COVID-19 at <https://harborhospicemi.org/2020/04/09/statement-on-covid-19/>
