

The Muskegon lakeshore will rock on Saturday, October 22 when the Harbor Hospice Foundation partners with Pigeon Hill Brewing Company to present *Beanies, Brunch & Brews*.

From 11 a.m. to 3 p.m. participants will be treated to great options from local establishments including small-plate brunch food, outdoor games, and pours of Pigeon Hill's notable craft beers, cocktails, and wines. And it's all set against a backdrop of the lively, blues and soul-infused music of Serita's Black Rose and Pigeon Hill's production facility!

This memorable event will help underwrite many of the costs of providing palliative care for West Michigan residents. Palliative care is a specialized practice that brings comfort to patients dealing with the challenging symptoms of a serious medical condition or the side effects of treatment, such as pain, nausea and difficulty breathing.

About 25% of our palliative services are not covered by insurance, but we provide them anyway because we know they are *essential to our patients' wellbeing*, and that's why the Harbor Hospice Foundation steps in to help. All proceeds from ticket sales for this event will go to the Foundation to support the care of patients.

We anticipate a robust crowd of 500 at Pigeon Hill, and that's why we're contacting you! You have the opportunity to support palliative care while you introduce your specialties to an enthusiastic audience. Please, will you consider donating gift cards or raffle prizes for this event?

In return for your support, your company name will be in front of party goers all afternoon and will be featured on our website, in email marketing and on social media before and after the event.

Thank you for considering this request. If you have questions or want to sign up to be part of *Beanies, Brunch & Brews*, call me at 231-728-3442, or complete the included form and we'll reach out to you. I look forward to hearing from you!

Gratefully,

Ammy Seymour  
Director of Development
