Annual Remembrance to Honor and Remember Loved Ones.

[Muskegon, Michigan], [August 16, 2022] The Bob & Merle Scolnik Healing Center of Harbor Hospice invites the community to their Annual Community Remembrance on Monday, September 19 beginning at 6:00 pm. This is a program encompassing beautiful music, readings, and perennial plantings to help individuals and families in our community to both mourn the death and honor the life of a loved one.

The program will be held at the Heritage Memorial Garden located at 545 West Western Avenue in downtown Muskegon. This program annually welcomes 80-100 attendees and is open to anyone who has had a loss and need not have had hospice care.

Local community supporter, Pam Babbitt developed the beautiful garden in honor of her late husband; a haven located in downtown Muskegon and an incredible representation of the love that remains even after a person dies.

Grief counselor for the Scolnik Healing Center, Lisa Watson, describe “Harbor Hospice is once again honored to offer a community remembrance service for those who have died. We welcome you to join us for this time as we come together to acknowledge or loss and to know we are not alone in our grief.”

In our culture, mourning is becoming increasingly taboo. Grief is a natural and normal response to loss, and mourning is how one heals. It is our privilege to offer this opportunity to mourn and heal in an environment of acceptance and understanding.

“I love the idea my daddy still gets a day even though he is in heaven. Thank you.” – 2021 Attendee

If you would like to participate in this meaningful event, please RSVP by Monday, September 12, by visiting bit.ly/3oKwtfn or by calling the Scolnik Healing Center of Harbor Hospice at 231.728.3442 or 1.800.497.9559.
